S

- The *Plays Well With Others* cover is the last item in the exhibition. While the typography is vastly different than traditional comic book style, the artwork and visuals are reminiscent of the style. Vivid colors, sharp contours, and a sense of hyperrealism are prevalent.

Chip Kidd, *Play Well With Others*, 1997, Print

#8. PLAYS WELL WITH OTHERS

- The *Plays Well With Others* cover is the last item in the exhibition. While the typography is vastly different than traditional comic book style, the artwork and visuals are reminiscent of the style. Vivid colors, sharp contours, and a sense of hyperrealism are prevalent.
